APPLICATION FOR ANNUAL REGISTRATION

In accordance with Section 414.035, RSMo: Any person who manufactures an aboveground or underground fuel storage tank for use in this state, or piping for such tank, or who installs or repairs a fuel storage tank system in this state, must register with the Department and provide evidence of financial responsibility for the costs of corrective action directly related to releases caused by improper manufacture, installation, or repair of such. This requirement does not apply to the installation or repair of fuel storage tank systems by the tank owner or operator.

Please complete this application and submit it with an insurance policy, certificate of insurance, or other document that:

- Demonstrates coverage of at least one million dollars (\$1 million) per occurrence and two million dollars (\$2 million) annual aggregate for pollution liability,
- Clearly identifies who is insured, AND
- Specifies the current term of coverage and the retroactive date of coverage.
